

Jesus's Plan for Citywide Revival!

Luke 10:1-3

Phase I: The Prescribed Way

A.) "...Jesus **Appointed** 72 others..."

- There is a prescribed way or divine order that must take place for Revival to be released.
- Re-digging Old Wells of Revival is the Divine Order!
- I Chronicles chapter 13 "David's Tabernacle"
- I Chronicles 15:13
- The story line of God

B.) Why 72?

- 72 represents the corporate anointing of Jesus that breaks every chain every yoke.
- Under this corporate anointing, not only are demons expelled out of people, but satanic principalities sitting over entire regions are overthrown.
- Judges 6: 25, 34:
- The anointing upon Gideon overthrows his father alter to Baal.
- Gideon's anointing upon the 300 overthrows entire kingdoms and powers of darkness over nations!
- Sadducees vs. 72 Nameless--Faceless generation

Phase II: "The Workers/Laborers Are Few"

- This type of anointing cannot operate on just any "72"
- Worker= Field Worker/Husbandman
- This type of worker takes no ownership in His fathers vineyard!

Phase III: Prayer/Fasting Movement + Missions Movement = Global Evangelization

- The Call kisses YWAM
- Houses of Prayer will fuel Missions Local and International!
- By Re-digging wells of revival, History is being fulfilled
- The invitation/The Dream
